Dear Parents,

School Fees for 2018/19

At the most recent meeting of the Board of Governors, the 2018/19 fees were approved by the governors and are below for your information.

In setting the fees, the governors have considered carefully how to balance the ambition to maintain and improve BESA's high standards, the need to operate a balanced budget, and the impact on parents of recent depreciations in the Turkish Lira. BESA is entirely funded by school fees, and is non-profit making.

As you would expect, we aim to ensure that BESA maintains its position as the leading international primary and middle school in Ankara. This means continuing to attract and retain the highest quality of staff, and aligning our pay scales with the Teachers' Pay Scales for England and Wales.

Taking into particular account the impact of the devaluation of the Turkish Lira, we are happy to inform you that the Governing Body has agreed not to increase school fees. These will remain at the levels agreed for 2017/2018.

A holding deposit of £1000 is required to be paid by 8 June 2018 for each existing pupil in order to secure a place for 2018-2019. If we do not receive payment by this date we shall assume that the place for your child/children is no longer required and may then offer that place to someone else on our waiting list. If 2018-19 is your child's first year at our school you do not need to pay the holding deposit.

On behalf of the Board of Governors, I would like to wish you all a happy and restful summer.

With best regards,
