Dear Parents,

We are excited to announce the “going live” of BESA’s new Virtual Learning Environment (VLE) over the course of next week. The VLE now replaces the individual class pages on the Website and allows both you and your child to do much more.

In the Virtual rooms you will find information concerning the class your child is in, photographs, slide shows, sounds, web links to topics or subjects your child is learning in class and set homework.

Your child will have access to their own virtual classroom, the Turkish room, the French room (Y5 and up), the BESA Sports room, the Music room, the Library room, the School Council room and the Eco Schools room.

Each room will have lots of content which will be updated on a regular basis.

This is a new venture for BESA and over the course of the year more content will be added and new rooms made available e.g. we will be providing a special login for parents to be able to access your own virtual room.

We plan to roll out the VLE over the course of the coming week. The schedule is as follows:

Monday 16th January – Year 8, Year 7, Year 4 and Year 3K

Tuesday 17th January – Year 6 and Year 3E

Wednesday 18th January – Year 5 and Year 2

Thursday 19th January – Year 1

Friday 20th January – Reception and Nursery

Mr Downing will be demonstrating and teaching the aspects of the VLE (including giving out the login details) to the students in their ICT lessons next week.

You can access the VLE via the new school website (<http://besaturkey.org>). Click on the blue VLE button at the bottom left of the homepage. You will be redirected to the Fronter VLE login page. Students can then insert their username and password. If your child is in EYFS and KS1 they may need some help with logging on.

If you have any questions or views about the VLE please contact Mr. Downing sdowning@besaturkey.org We would love to hear your feedback in order for us to continually improve this fantastic resource.

We hope you will enjoy this new venture.

Kind Regards,

Mrs D. Akyurek

Head Teacher: Dawn Akyurek. MA, BA (Hons) P.G.C.E.
