Dear Parents,

School Fees for 2020/21

The Board of Governors has approved the tuition fees for the Academic Year 2020/21 and they are below for your information.

In setting the fees, the governors have considered carefully how to balance the target to maintain and improve BESA's high standards, the need to operate a balanced budget, and the impact of the Covid-19 situation we find ourselves in. BESA is entirely funded by school fees, and is a non-profit making school.

Taking these into account, the Governing Body has agreed not to increase school fees the first term of the school year. This will be the third year that fees have not been increased and maintaining the high standards expected of us within increasing tight budget constraints has become increasingly challenging. The Governing Body therefore retains the right to review the fees at the start of the second or third terms if required.

As you would expect, we aim to ensure that BESA maintains its position as the leading international primary and middle school in Ankara.

A holding deposit of £1000 is required to be paid by 14th June 2020 for each existing pupil in order to secure a place for 2020-2021. If we do not receive payment by this date we shall assume that the place for your child/children is no longer required and may then offer that place to someone else on our waiting list. If 2020-21 is your child's first year at our school you do not need to pay the holding deposit.
