BESA is a prestigious, not-for-profit school which follows the English National Curriculum and the International Early Years, Primary & Middle Years Curricula, serving the international diplomatic and business communities of Ankara as well as the local population. It is an accredited member of COBIS (Council of British International Schools) and is Turkey’s only IAPS (Independent Association of Prep Schools) school. It was highly praised in its most recent BSO (British Schools Overseas) inspection. Children at BESA are happy and achieve high academic standards.

The school is delightfully situated in a rolling landscape of playgrounds and woodland in the heart of Turkey’s capital city. Ankara itself has all the modern shopping and entertainment facilities expected of a major world capital city and is centrally placed to explore the rest of Turkey. Within a few hours’ drive significant historical sites and natural wonders can be explored, including the UNESCO World Heritage Sites of Cappadocia and Safranbolu. Winter ski resorts and summer beach resorts are also within easy reach whilst Ankara’s international airport allows the opportunity to travel further afield.
