12th November 2021

Dear Parents,

School Fees for 2021/22

I hope that this letter finds you and your families in good health.

Back in May 2021 I wrote to you about the fee structure for BESA that the Board of Governors had agreed for the 2021/22 Academic Year.

In that letter I explained that although the school had been operating at a deficit for the past three years, a decision to increase school fees would be deferred until the second term started in January. This reflected a degree of uncertainty about our ability to open for face to face learning during the Autumn Term.

Thankfully, we were able to welcome children back to face to face learning at the start of term and we have been able to maintain this provision. To date we have only been required to close two classes for a single day in line with our agreed response to positive COVID cases in school. We have also been able to successfully reintroduce much of the wider provision for children in school such as residential visits and clubs.

We have therefore made the decision to confirm the fee increase of 4% to be applied from the start of the second term in January to ensure that our budget is sufficient for our needs.

We will continue to provide parents with the option of paying in monthly instalments for the duration of the 2021/22 Academic Year. Invoices will be issued in the last week of November.

As you would expect, we aim to ensure that BESA maintains its position as the leading international primary and middle school in Ankara.

With best regards,

Paul Creary

Chair of Governors

Head Teacher: Andrew Ryan BA (Hons), PGCE, MA

BESA School Fees 2021/2022
