Introduction of Bursaries to support enrichment activities at BESA

In December 2019, the Governing body of BESA agreed to the introduction of bursaries to support students who are repeatedly selected to attend enrichment activities that require travel and an overnight stay.

Conditions:

- Eligible students will have already been selected and have attended an enrichment activity requiring travel and an overnight stay during the current academic year
- Students will be eligible for a bursary for attending a second and third trip within a single academic year. Any trips in excess of this number would be subject to full payment

Amount of bursary allocated:

- A student selected and attending a second trip would be entitled to a £50 reduction in the cost of the visit
- A student selected and attending a third trip would be entitled to a £100 reduction in the cost of the visit

Selection for enrichment trips is at the discretion of the school leadership team.

Verndell H. Gildhouse

BESA Governing Body Treasurer
