Thursday 2<sup>nd</sup> February 2023

Dear Parents,

### **School Fees for 2023/24**

The Board of Governors has approved the tuition fees at their most recent meeting and they are below for your information.

In setting the fees, they have considered carefully how to balance the target to maintain and improve BESA's high standards and the need to operate a balanced budget. BESA is entirely funded by school fees, and is a non-profit making school. We have therefore decided to apply a 5% increase to all fees for the 2023/24 academic year.

One exception to this is for children joining the Year 6 class. Last year we informed parents that Year 6 fees were being brought in line with the other classes in the Middle Years. Half of the increase was applied in September 2022 with the remainder being added this calendar year. Therefore, from September 2023 the fee for Year 6 will be the same as that for other Middle Years classes.

As you would expect, we aim to ensure that BESA maintains its position as the leading international primary and middle school in Ankara.

With best wishes,

Martin Robinson

BESA Chair of Governors
