

What our students like about BESA (Feedback from Student interviews 2019)

Everything!

There are lots of opportunities to learn a lot and opportunities for sports.

The teachers and our friends.

The residential trips and our 'Golden' trips.

It feels like a home and is welcoming. You feel comfortable to be yourself.

We like the woods.

We like different subjects like IPC, Maths and Turkish.

Golden time and the golden tortoise stickers.

Everyone is kind to me and respectful.

I like everything!
