# EXTERNAL EXAMINATION CLUB

As a school we attempt to improve the chances of our students passing external school examinations by offering this club.

The aims of the club are to:

- 1) – Give the students confidence in the types of questions they may be faced with.
- 2) – Introduce and practice Verbal and Non-Verbal questioning.
- 3) – Discuss exam techniques.
- 4) – Practice exam questions.
- 5) - Practice interview techniques and discuss types of questions that might be asked.

We do not:

- 1) – Supplement the teaching from the classroom.
- 2) - Guarantee that students will pass their exams as a result of attending this club.

# BLIS EXAM

If you register interest with BLIS for the next academic year, your child will be expected to take several entrance exams.

These include:

Maths – English – Turkish (if your child has Turkish Nationality) – Science and a Turkish history test.

Grades 9-12 only take the main 4 tests.

Students are expected to pass ALL 4 exams.

If your child “Fails” 2 or more than ALL tests have to be repeated.

Exams usually take place around May time.

Resits take place at the end of August.

# OTHER EXAMINATIONS

Different international schools ask students to take a variety of tests.

Most will ask your child to take an English and Maths test.

Others may also ask for a verbal/non-verbal reasoning test.

The English tests can include:  
reading/writing/spelling/comprehension.

Some tests can be taken online and others are by paper and pencil method.

# WHERE ARE THE TESTS TAKEN?

Tests can be taken at BESA, with the agreement of the school that you are wishing your child to attend.

These are taken in a quiet location, under formal exam conditions.

Papers are not marked by us.

After each test they are put under lock and key.

Scanned copies are sent to the school applying for and if requested the original tests are sent by post.

Some schools insist on sitting tests at their school or an alternative venue, such as the British Council.
